

Public Transportation Grant Projects

By County

Competitive and Formula-Based Public Transportation Grants for 2005-2007

The Washington State Department of Transportation (WSDOT) awarded over \$50 million in public transportation grants statewide for 2005-2007 projects — \$27 million in state and federal competitive grants and \$23 million in state formula-based grants. Grant recipients include public transit systems, non-profit agencies, tribal governments, senior centers, cities, counties, and other public transportation providers.

**Washington State
Department of Transportation**

The following list includes WSDOT public transportation grants from both the competitive and formula-based programs and both state and federal funds. For public transportation projects in multiple counties, the projects are listed in every county served.

2005-2007 Public Transportation Grant Awards By County
